

This year marks the 30th Anniversary of Domestic Violence Awareness Month.

The color **purple** symbolizes peace, courage, survival, honor and dedication to ending violence.

You can play an important role in honoring the accomplishments made and to show support for those affected by domestic violence by wearing purple in the month of October, as we continue to raise awareness in our community.

Additionally, join Shelter House every Wednesday in October to support Domestic Violence Awareness Month.

Not Your Average Joe's
1845 Fountain Drive
Reston, VA 20190

By mentioning you support Shelter House, **15%** of your purchase will directly support the victims of domestic violence we serve every day.
