

Did you know?

**Shelter House serves nearly 1,400 individuals each year...
more than half of those individuals are children.**

A new haircut for the first day of school, can help a child feel more confident and can make a big difference as they start a new academic year.

**Join Shelter House in their partnership with Hair Cuttery
from August 1-15 for their Share-A-Haircut program.**

**Every time someone 18-years-old or younger purchases a haircut
at any location, a free haircut will be donated to a child in need.**

**By supporting this program, you are supporting all of the children
Shelter House serves every day who are facing family homelessness.**
